

OAKLEIGH STATE SCHOOL

Year 6 2026 Student Resource Scheme

Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **2026 Student Resource Scheme (SRS)**, including how the scheme operates and the annual participation fee.

What is an SRS Scheme?

The Queensland Government supports students' education by providing funding for instruction (e.g. teachers), facilities (e.g. buildings, amenities, furniture), and administration (e.g. staffing and resources to administer the operations of the school). Funding does not extend to individual student resources such as textbooks, equipment for personal use, and items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

An SRS Scheme is an optional user-charging scheme operated by schools to provide parents/carers a convenient and cost-effective alternative to access student learning resources, personal computing devices, and other educational programs.

The SRS enables a parent/carer to enter into an agreement with the school to provide the resources required for their child to engage with the curriculum for a specified annual participation fee.

Why does Oakleigh provide an SRS Scheme

The scheme ensures that students have the resources required for them to engage with the curriculum for their education while saving parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements.

The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme. The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held in **Term 4, 2025**.

The Department encourages parents to participate in the scheme. However, participation in the SRS is optional, and no obligation is placed on a parent to participate.

How do I participate in the SRS Scheme?

Prep Students or Students new to the school	Students continuing at the school, new to the school or new to the SRS offering.
Parents are required to complete and return the SRS Participation Agreement Form and the SRS Payment Arrangement Form. If no participation form is received by Week 4 of Term 1, 2026, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.	A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form. If a parent has opted out of the scheme, the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year. If you opted in to the SRS scheme in a previous year, you do not need to complete any forms. The school office will invoice you for this year's amount.

Resource Inclusions

All resources included in the SRS are detailed in the attached SRS Resource list. This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs.

Parents must inform the school if items on the list of resources are not received by their child when resources are distributed.

Type of Resources provided

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. stationery, exercise books, student diary).
- **Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies).
 - work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period (e.g. textbooks, musical instruments, laptops).
 - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
 - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

Costing Methodology

The schools SRS fee is calculated based on a flat fee for a cohort group of students (e.g. a year level).

Financial Hardship

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the school to discuss available options in confidence.

Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school.

Any unpaid invoices will be managed according to the department's Debt Management Procedure. Only as a last resort, a Principal may use discretion to exclude a student from optional, non-curricular activities where a parent has an outstanding debt with the school.
