

# Oakleigh State School Song (2009)

(Composed by 7H, 67B and 6E)

## Verse 1

Oakleigh's come far since 1934  
Many children nervous at the door  
Future uncertain, yet seeking fun  
Growing ever prouder of what we've done.

## Chorus

We strive to live the Oakleigh way  
Facing challenges every day  
Deeds not words is what we do  
Oakleigh State School will stay with you.

## Verse 2

Uniforms change, the buildings have too  
Jacaranda, Wattle, Poinsettia aren't new  
Technology, sport and music are true  
Lasting friendships will see us through. Chorus

## Verse 3

Oakleigh is our school and community  
We're learning together in harmony  
Now we're proudly singing our song  
Knowing our future will be strong. Chorus
