

Investing for Success

Snapshot report

**Under the Investing for Success Agreement for 2018
Oakleigh State School received (finalised amount)**

\$147,834

Our full 2018 agreement can be found on our school [website](#).

Our school initiatives are on track to meet or exceed our targets

During 2018, we focused on maximising the benefits of this funding for our students. After reviewing our 2018 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Enhancement of early years students' language development through the identification of students at risk, implementation of STRIVE program and building teacher capability with support of Speech Language Pathologist.
- Embedding year level collaboration with student learning at the centre of professional discussions and planning

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2018 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Embedding a culture of feedback into the teaching of writing – pedagogies that enable feeding up, feeding back and feeding forward
- Implementing a peer observation model to deepen knowledge, understandings and reflective practices
