

Paint You a Song

H. Angus, E. Claxton, J. Foreman, A. Gill, K. Girao, W. Kennedy, N. Wendt

Do do do do doo, Do do do do doo
Do do do do doo, Do do do do doo

I see the birds flying high, flying high, flying high in the sky
They're all singing along, to that same old song
I feel the beat, feel the beat, feel the beat, feel the beat in my heart
And it keeps me warm, like a spark in the dark

You paint the melody
I will paint the harmony
Singing colours all around
Every city, every town

Let me paint you a song if you promise, promise
Let me paint you a song if you promise, promise
Let me paint you a song if you promise to sing along

Do do do do doo, Do do do do doo
Do do do do doo, Do do do do doo

I hear the wind rushing in, rushing in, rushing into the night
Touch the stars, chase the light
And there's a song, there's a song, there's a song, there's a song in the air
If you listen close, you can hear it there

You paint the melody
I will paint the harmony
Singing colours all around
Every city, every town

Let me paint you a song if you promise, promise
Let me paint you a song if you promise, promise
Let me paint you a song if you promise to sing along

Piano break

Music forever, Brings us together
Music forever, Brings us together
Music forever, Brings us together
Music forever, Brings us together

Let me paint you a song if you promise, promise
Let me paint you a song if you promise, promise
Let me paint you a song if you promise to sing along
